

## **DGM Message Summary: Project Promise (Interview with Damon Davis)**

### **Message Summary:**

Focus: radical kind of love that is necessary to move beyond the borders of our backyard

Country: Ethiopia

### **Scriptural References:**

- John 15:13
  - This kind of love enables us to reach those across the globe who live without hope
    - We can do all things through Christ who strengthens us

### **Key Points:**

- Overview of what's going on in Grace Church
  - Exponential growth because people are searching for truth and a life change; the focal point is the Word of God
  - Message delivered each week resonates in the hearts and minds of church members and attendees
- Dr. Grier's perspective on partnership
  - Grace Church is in the business of helping people
    - As they've built "big people" (which was the goal from inception), the church has grown
- Why Ethiopia?
  - Dr. Grier's wife was born and raised in Ethiopia as an Orthodox
  - The nation is ravaged by poverty
    - Although the citizens are hard workers, the opportunities just aren't there
- Where are the people of Ethiopia struggling the most?
  - One Ethiopian dollar is equivalent to an American nickel; currency doesn't have much value, so the people struggle and learn how to do much with little
  - Hunger
