

DGM Message Title: I Hear a Sound

Theme: Submit Fully to God

Message Summary: Lukewarm Christianity is displeasing to God, so we must make a decision to worship God and God alone, so we can reach a breakthrough in our lives.

Scripture References (NKJV):

- 1 Kings 18:17-42

Key Points:

- 1 Kings 18:17
- The problem isn't that you don't worship God, but you don't worship God alone
 - Lukewarm Christianity is failing the test
 - Indecision makes God sick to his stomach
 - Oftentimes, we don't go all in, so we don't have to deal with the consequences
- But we have to say yes or no; choose this day who we are going to serve
- If you want to break your drought, you are going to have to break the indecision in your life
- When you pray, stop trying to change God's mind; change your heart
- We're not waiting on God; God is waiting on us to make some choices
- God will release a fresh sound when we as a people make fresh choices
- Effort will release its reward only after you refuse to quit
- You've heard God on the inside, but you see absolutely nothing on the outside; it may actually seem to get worse
- But the above still applies
- The greatest and most powerful avalanches start with a small snowball
- The small cloud in your life is an indication that there's something big on your horizon
- You're only one decision from the end of your drought and from God releasing the rain!
- But we have to make a choice
- Faith isn't a horserace; it either is or it isn't
