

DGM Message Summary: Take A Walk In Her Shoes, Part 2

Message Summary: Continuation of the story of Ruth and Naomi. God has been working behind the scenes all along to get Ruth and Naomi to the house of Israel and for Ruth to find favor with a man who would bless them both for the rest of their lives. God is always working behind the scenes for us and often times He is working anonymously in ways that no one can see or predict. God is the God of comeback.
